

Addressing at BJP Karnataka Media workshop

My address at BJP Karnataka Media workshop today

T P Kailasam once said: In life, some people are examples & some are warnings: Narendra Modi ji is an example and Siddaramaiah – CM of Karnataka is a warning.

What is #RahulGandhi Style?

1. Driving without rear view mirror
2. Comparing uncomparables like GOI & state govt (instead of two successive GOIs or same state govts under different CMs)
3. Confusing someone who serves as a warning (eg. Siddaramaiah) with a role model
