

Laid the Foundation Stone of NIPER at Jhalawar, Rajasthan

Laid the Foundation Stone of National Institute of Pharmaceuticals Education and Research (NIPER) at Jhalawar in Rajasthan where the Rajasthan government has allotted 100 acres of land for setting up of the campus. Also, visited the Cancer Awareness Camp, Development Exhibiton, Jalmela, Digi-Dhan Mela, Divyang Shivir, Rojgar Mela and Sahakar Mela.

Highlights of my speech :

*** A Single SuperPhosphate (SSP) fertilizer plant will be set up in Chittorgarh district.

*** The Central Government will soon sign an MoU with the Rajasthan state government to enable people to have better access to generic medicines, which will be made available in Annapurna bhandars.

*** The Rajasthan Chief Minister Smt Vasundhara Raje has done an incredible job for development and good governance. The Rajshree Yojna initiated by the state government is helping the girl students tremendously.

*** Also inaugurated an "Annapurna Rasoi" where the people will get food at the cost of only Rs 5.
