

# Modi Govt fixes the ceiling prices of knee implants

Under the leadership of Modi ji, AnanthKumar fixes the ceiling prices of knee implants in follow up to Honourable PM's declaration to bring down the cost of knee replacement surgery. Earlier, capped the price of stent from close to 1.5 lakhs – 2 Lakhs to about 30 thousand. 85% of savings!

Today reduced the cost of knee surgery from an average 1.58 lakhs to 54 thousand. We urge all stake holders (hospitals, doctors, producers) to join hands with us to ensure zero profiteering and maximum health benefit.

| Type of Knee implants  | Old price               | New Price |
|--|-------------------------|-----------|
| Cobalt chromium knee implant<br>80% market share e               | 1,58,324                | 54,720 /- |
| Titanium Oxidised Zirconium                                      | 2.5 to 4.50 lakhs       | 76,600 /- |
| High flexibility implant   | 1.80 lakhs to 4.5 lakhs | 56,490/-  |
| Revision implants (second time, say after a decade or so) 2 % MS | 2.75 to 6 lakhs         | 1,13,950  |
| Specialised implants (cancer and tumour) – 1% MS                 | 2.75 to 9 lakhs         | 1,13,950  |
