

BHRASTACHAR MITAO, LOKTANTRA BACHAO

BJP Calls for protest

Dated: 16.08.2011

Dear Friends,

The National President Shri Nitin Gadkari ji today announced that BJP Party units, all over the Country, will organize sit in protests, silent March, Conch blowing and Thali-Nad at suitable public places to expose the central Government's fascist tendencies. The thrust of the programme will be 'Bhrastachar Mitao, Lokatantra Bachao'.

You are requested to organize suitable programme in your state.

The Bharatiya Janata Party strongly condemns the most reprehensible and high handed manner in which the UPA Government has been trying to stifle the voice of democratic forces and gagging the fundamental rights of those fighting against corruption.

The UPA Govt. resorted the brutal attack on Baba Ramdev and his followers in Ram Lila Maidan. This was followed by brutal Lathi Charge on BJP Yuva Morcha workers demonstrating at Parliament. Now it has resorted to gag the voice of Anna Hazare, whose agitation against corruption and for strong Lokpal totally non-violent.

The BJP cannot remain a mute spectator to the strong arm tactics of the Congress Government in crushing peaceful and democratic agitations against the monumental scandals of the Manmohan Singh regime.

The Central Government is trying to create an atmosphere of terror and intimidation reminiscent of the days of emergency and we must mobilize people against such dictatorial behavior.

In so far as crime against democracy is concerned, the Congress is number one perpetrator and hence people will have to be prepared for a long drawn battle to save democracy.

The BJP has been on the vanguard of the ongoing crusade against corruption inside parliament and among the public. We mobilized public opinion on the issue of Commonwealth Games scandal, the 2G Spectrum case, Adarsh society and other multi-million crore scandals.

The party has decided to launch a nationwide “BHRASTACHAR MITAO, LOKTANTRA BACHAO” agitation against the authoritarian behavior of this most corrupt and ineffective government since independence.

Tomorrow onwards, the BJP units in each district will organize sit-in protests/ silent march/ conch blowing and THALI-NAD at a suitable public place and/or near Mahatma Gandhi statue to expose the central government’s fascist tendencies.

The BJP appeals the public to join the party’s peaceful agitation against corruption and strengthen our resolve to expose the culprits and punish the guilty.

Yours,

ANANTH KUMAR
